LEGISLATIVE COUNSEL'S DIGEST

SB 316, Margett. State agencies: voter registration information.

Existing federal law, the National Voter Registration Act of 1993, provides for state departments of motor vehicles to make available voter registration information and materials to applicants for driver's licenses and other vehicular documents.

This bill would require the Department of Motor Vehicles, on and after July 1, 2006, to include in any document mailed by the department offering a person the opportunity to register to vote pursuant to the National Voter Registration Act of 1993 a notice informing prospective voters that if they have not received voter registration information within 30 days of requesting it, they should contact their local elections office or the office of the Secretary of State.

This bill would also, on and after July 1, 2007, require other state agencies to include a similar notice in any document mailed by a state agency offering a person the opportunity to register to vote pursuant to that act.

The people of the State of California do enact as follows:

SECTION 1. Section 2250 is added below the heading of Chapter 4 of Division 2 of the Elections Code, to read:

2250. On and after July 1, 2007, in any document mailed by a state agency that offers a person the opportunity to register to vote pursuant to the National Voter Registration Act of 1993 (42 U.S.C. Sec. 1973gg), that state agency shall include a notice informing prospective voters that if they have not received voter registration information within 30 days of requesting it, they should contact their local elections office or the office of the Secretary of State.

SEC. 2 Section 1679 is added to the Vehicle Code, to read:

1679. On and after July 1, 2006, in any document mailed by the department that offers a person the opportunity to register to vote pursuant to the National Voter Registration Act of 1993 (42 U.S.C. Sec. 1973gg), the department shall include a notice informing prospective voters that if they have not received voter registration information within 30 days of

requesting it, they should contact their local elections office or the office of the Secretary of State.
